SDACTE 2009 Pathways to Success

SD Association for Career & Technical Education

June 2009

Honeycutt and Sonne chosen to deliver keynote addresses

Monday's Keynote Speaker, Kevin Honeycutt, blends technology tools with project-based learning approaches to simulate real life and add authenticity for learners.

He has gained a national reputation for his online-safety and cyber-bullying training for teachers and kids as well as his vision of where schools should be looking as they grow toward the future.

He shares his ideas at

schools and conferences all over the country and his podcast "Driving Questions in Education" allows him to share many of his ideas while he is on the road. The podcast is consistently one of the top three K-12 video podcasts on iTunes.

Wednesday's Keynote address will be delivered by Myron Sonne. Sonne is an accomplished speaker, having made presentations laced with humor to a va-

riety of audiences. He personifies the best of Career and Technical Education.

His professionalism, dedication, and sincerity are admired by all. His wisdom, knowledge, and advice are sought after.

His humor and wit are always appreciated. Sonne will make sure that when we leave the conference, we will know our mission and we will have the enthusiasm to carry it out.

Get involved,

*Become
rejuvenated,*

*Prepare for
success in the
classroom,*

*Enjoy the
camaraderie of
professionals
just like you!*

Why should I join?

Rigor: Program Improvement Plans, Content Standards Reviews, Luncheon meetings, and Perkins Data and Statistics.

Relevance: CTE teachers have the chance to stay current in respective career fields. The conference is one of the few in-services that is specialized for what we teach. What a great advantage to have. We get yearly updates that we can actually use.

Relationships: CTE teachers have a tie that can't be matched by any other group of teachers. This feeling comes from the relationships we build by working together. Summer conference is the best chance we have to build these special relationships.

How do I register?

Conference fees have been set at \$125 if registered prior to July 10th and \$175 if registered after that date. Please check the website for more information as it becomes available: <http://www.lakeareatech.edu/sdacte>

Fees include:

SDACTE & ACTE Dues Package: \$90.00

Business Division Dues: \$15.00

Conference Registration: \$125/\$175
